## **Introduction**

It is the aim of Strathearn School to make the examination experience as stress-free and successful as possible for all candidates.

Hopefully, this booklet will prove informative and helpful for you and your parents. Please read it carefully and show it your parents so that they are also aware of the examination regulations and the procedures to follow in the event of any problems occurring.

Mr Manning, as Principal of the School, is head of the Strathearn Examination Centre. The administration of GCE and GCSE examinations is the responsibility of the Examinations Officer, Mrs Norris.

The Awarding Bodies (or Examination Boards) set down strict criteria which must be followed for the conduct of examinations and Strathearn School is required to follow them precisely. You should therefore pay particular attention to the Notice to Candidates that is printed on Appendix 1.

Answers to some commonly asked questions are at the back of this booklet (see Appendix 3). An exam check list has also been provided at Appendix 4 for your information. **If there is anything you do not understand or any question that has not been addressed, PLEASE ASK.**

If you, or your parents, have any queries or need help or advice at any time before, during or after the examination please contact: ***The Vice Principal (Teaching and Learning) or the Examinations Officer, Mrs Norris.*** The school telephone number is: 028 9047 1595.

**Remember – we are here to help.**

## Before the Examinations

### Candidate Number:

- Each candidate has a four digit candidate number. This is the number you will enter on examination papers.

### Contact Numbers:

- Sometimes in the past students have had problems getting to an exam on time. Although we encourage all students to arrive in plenty of time for all exams so that there isn't a last minute panic, it is important that we have up-to-date contact telephone numbers for both you and your parents, or anybody else who might be able to help in an emergency.
- I also suggest that you save the **School telephone number 028 9047 1595** on your mobile phone (if you will be carrying one) so that you can call in if you have a serious problem on your journey to school.

### Equipment:

- Make sure that you have all the correct equipment before your examinations. Check the regulations in the Notice to Candidates (Appendix 1) and the information on the following pages.

### Special Arrangements:

- Special Arrangements are made for those pupils who have permanent or long term disabilities and/or learning difficulties and, where appropriate, for those pupils who suffer temporary disabilities, illness and indispositions during the examination period. After consultation with the Special Educational Needs Co-Ordinator Mrs Browne, Mrs Norris will make an application to the relevant Awarding Bodies for the appropriate Special Arrangement to be approved.

### Special Consideration:

A candidate may be eligible for Special Consideration if:

- (a) Performance in an examination is affected by circumstances beyond the control of the candidate, e.g. recent personal illness, bereavement.
- (b) Part of an examination is missed due to circumstances beyond the control of the candidate e.g. an accident (note that there are minimum examination requirements that need to be met for a grade to be awarded).

Parents should contact Mrs Myers regarding Special Consideration. Evidence, e.g. a doctor's letter, may be required to support the application. Mrs Norris applies to the relevant Awarding Body for Special Consideration to be given to a candidate. The Awarding Body decides the level of consideration given to a candidate, but parents should be aware that no feedback is ever given.

### Timetables:

- You will receive an individual timetable showing your own specific examinations with details of date, time and duration of exam. Check it carefully – **if you think something is wrong see Mrs Norris immediately.**

## GCE Student Guide for External Examinations

- A few candidates might have a clash where 2 subjects are timetabled at the same time. The school will make special timetable arrangements for these candidates only. Mrs Norris will make each candidate aware of how their clash has been resolved and check that they are happy with the arrangement. **If you think there is a clash on your timetable that has not been resolved, please see Mrs Norris immediately.**

## During the Examinations

### Examination Regulations:

- A copy of the 'Notice to Candidates' for written exams which is issued jointly by all Awarding Bodies, is printed at Appendix 1 of this booklet. All candidates must read these carefully and note that to break any of the examination rules or regulations could lead to disqualification from all subjects. The school must report any breach of regulations to the Awarding Body.

### Attendance at Examinations:

- Candidates are responsible for checking their own timetable and arriving at school on the correct day and time, properly dressed and equipped. Candidates must arrive at least 15 minutes prior to the start time of their examinations. Please wait quietly outside the exam venue until you are invited to enter by the examination invigilators.
- All items of equipment, pens, pencils, mathematical instruments etc., should be visible to the invigilators at all times. You must either use a transparent pencil case or clear plastic bag.
- Pens should be **black ink or ballpoint only**. NO erasers, highlighter, gel pens or correction pens are allowed.
- For Mathematics and Science Exams, students should check their calculators conform to the examination regulations – see Appendix 5. If in doubt, check with your teacher. Remove any covers or instructions and make sure batteries are new. Remove any data that has been stored on your calculator.
- Candidates are not to bring mobile phones or other electrical devices such as iPods, iWatch, MP3 players, pagers, reading pens or any other products with text or digital facilities into the examination room. If candidates have unauthorised items in an examination, this may represent malpractice and could make you subject to sanctions and penalties. A report would be forwarded to the Awarding Body. Any mobile phones that are accidentally brought in must be switched off and handed to the Invigilator at the start of the examination.
- Please make sure that any watch alarms are turned off.
- Do not attempt to communicate or distract other candidates.
- Examination regulations are very strict regarding items that may be taken in to the examination room. If you break these rules you will be disqualified from the examination.
- Listen carefully to instructions and notices read out by the invigilators – there may be amendments to the exam paper that you need to know about.
- Check you have the correct question paper – check the subject, paper and level of entry.

## GCE Student Guide for External Examinations

- Read all instructions carefully and number your answers clearly.
- If you have finished the paper use any time remaining to check over your answers and that you have completed your details correctly.
- At the end of the examination all work must be handed in – remember to cross out any rough work neatly but do not make it illegible as it will be forwarded to the examiner. If you have used more than one answer book or loose sheets of paper ask for a treasury tag to fasten them together in the correct order.
- Invigilators will collect your exam papers before you leave the room. Absolute silence must be maintained during this time. Remember you are still under examination conditions until you have left the room.
- Question papers, answer booklets and additional paper must **NOT** be taken from the exam room.
- Remain seated in silence until told to leave the examination room. Please leave the room in silence and show consideration for other candidates who may still be working.
- If the fire alarm sounds during an examination the examination invigilators will tell you what to do. Don't panic. If you have to evacuate the room you will be asked to leave in silence and in the order in which you are sitting. You will be escorted to the designated assembly point in the back car-park. Leave everything on your desk. You must not attempt to communicate with anyone else during the evacuation. When you return to the exam room do not start writing until the invigilator tells you to. You will be allowed the full working time for the examination and a report will be sent to the Awarding Body detailing the incident.

# GCE Student Guide for External Examinations

## **Invigilators**

- The school employs external invigilators, led by Mrs Rodgers, to conduct the examinations in a number of venues around the school. Students are expected to behave in a respectful manner towards all invigilators and follow their instructions at all times.
- Invigilators are in the examination rooms to supervise the conduct of the examination. They will distribute and collect the examination papers, tell candidates when to start and finish the examination, hand out extra writing paper if required.
- If a pupil has any concerns during the examination, do not hesitate to highlight them to the invigilators.
- To attract the invigilator's attention, raise your hand and wait for the invigilator to come to you.
- Invigilators cannot discuss the examination paper with you or explain the questions.

## **What to do if you are ill on the day of the exam**

- If you are ill and are unable to attend an exam it is vital you phone the school first thing in the morning to inform us.
- You must also obtain a note from your doctor detailing the reason for non-attendance. There is the possibility of submitting this note to the Awarding Body to ask for Special Consideration.
- If you are feeling unwell, but still able to travel, I suggest you come to school and we can assess the situation then. In most cases it is better to take the exam, if you can.
- **If in doubt – PHONE THE SCHOOL.**

### FREQUENTLY ASKED QUESTIONS

**Q What do I do if there is a clash on my timetable?**

**A** The school will re-schedule papers internally (on the same day) where there is a clash of subject. Candidates will normally sit one paper then have a break during which they will be supervised and must not have any communication with other candidates. They will then sit the second subject paper. It may be necessary for you to bring a packed lunch if you have exams in the morning and afternoon as you will have to remain in isolation until both examinations are completed. If in doubt consult Mrs Norris.

**Q What do I do if I think have the wrong paper?**

**A** Invigilators will ask you to check the paper before the exam starts. If you think something is wrong put your hand up and tell the invigilator immediately.

**Q What do I do if I forget my Candidate Number?**

**A** Candidate numbers are printed on desk cards on the top corner of your allocated desk.

**Q What do I do if I forget the School Centre Number?**

**A** The Centre Number is 71279. It will be clearly displayed in the examination rooms.

**Q What do I do if I have an accident or am ill before the exam?**

**A** Inform the school at the earliest possible point so we can help or advise you. You may need to obtain medical evidence (from your GP or hospital) if you wish the school to make an appeal for Special Consideration on your behalf (see below). Please speak to Mrs Myers.

**Q What is Special Consideration?**

**A** Special consideration is a post-examination adjustment to a candidate's mark or grade to reflect temporary illness, temporary injury or other indisposition at the time of the assessment, which has had, or is reasonably likely to have had, a material effect on a candidate's ability to take an assessment or demonstrate her normal level of attainment in an assessment. The maximum allowance given will be 5% of the total raw marks available in the component concerned however, parents should be aware that any adjustment is likely to be small and no feedback is ever provided. Candidates will only be eligible for Special Circumstances if they have been fully prepared and covered the whole course but performance in the examination or in the production of coursework is affected by adverse circumstances beyond their control. The Examination Officer must be informed immediately, so that the necessary paperwork can be completed and

# GCE Student Guide for External Examinations

the candidate will be required to provide evidence to support such an application.

**Q What do I do if I feel ill during the exam?**

**A** Put your hand up and an invigilator will assist you. You should inform an invigilator if you feel ill before or during an exam. If you feel this may have affected your performance speak to Mrs Norris directly after the exam.

**Q If I am late can I still sit the examination?**

**A** Provided you are not more than 1 hour late after the published start time, it may still be possible for you to sit the examination. You should get to school as quickly as possible and report to Reception. If possible contact the school to inform us you are running late.. A member of staff will escort you to the exam room. You must not enter an examination room without permission after an examination has begun. It may not be possible to allow you any extra time if you start the examination late.

You should also be aware that if you start the exam more than 1 hour after the published start time, the school must inform the Exam Board and it is very likely that the Board may decide not to accept your work. Please ensure that you allow enough time to get to school so that if you delayed (e.g. through transport problems) you will still arrive on time.

**Q If I miss the examination can I take it on another day?**

**A NO.** Timetables are regulated by the Awarding Bodies and you must attend on the given date and time.

**Q How do I know how long the exam is?**

**A** The length of the examination is shown in minutes on your individual timetable under the heading 'duration'. Invigilators will tell you when to start and finish the exam. There will be a clock in all the examination rooms. There will also be a board at the front of the exam hall that will specify the duration of each exam.

**Q Can I go to the toilet during the exam?**

**A** If it is absolutely necessary. You will be escorted by an invigilator but will not be allowed any extra time.

**Q If I have more than one exam on a day can I get lunch at school?**

**A** Pupils who have examinations in the morning and afternoon sessions may obtain lunch from the canteen in the usual way or bring a packed lunch.

## Appendix 4

### EXAM CHECK LIST

- Aim to arrive at school 15 minutes prior to an exam. It is much better to leave yourself a safety margin on timings in case of problems with the journey.
- When taking exams, bags and coats should be left in Changing Room 1 in the Sports Hall.
- You are not allowed to have notes, papers, IPods, MP3 players, iWatches in your possession.
- You should bring a **BLACK** pen, pencil, rubber and any other writing equipment needed to your exams. Only clear pencil cases are allowed on your desk, any others should be left in your bag. Do not use gel pens – this is because many of the exam papers are now scanned and sent electronically for marking – gel pens do not scan well.
- In an exam where you have the use of a calculator, you should not have a calculator cover on your desk.
- There is absolutely no talking or communication between students once you enter the exam hall. If you have any questions, you should raise your hand once seated and an invigilator will come to you.
- No food is allowed in the exam hall. If you have a special requirement – please see Mrs Norris, Exams Officer, before the exam.
- Water bottles are allowed in the exam hall if necessary. There should be NO LABEL on the bottle
