1.3 Water will be made available in the test room and children should not bring food or drink (except for medical reasons and by prior arrangement) into the test venue.

1.4 No mobile phones or other digital devices may be brought into the test room (whether switched off or not).

2. Familiarisation Afternoon

2.1 Please bring your child to Strathearn School for 4.00 pm. Parking will be available on-site; please enter the school at the Wandsworth Road entrance (after 3.45pm to avoid the main school traffic) from where you will be directed to a parking area.

2.2 Please follow the signs to reception from where you will be directed to the Miskelly Deli.

2.3 Children will be escorted to the test room where they will be seated at the desk they will be assigned for the tests. The invigilators will then talk to the children, explaining the procedures for the test and they will be given practice in filling in the first page of the test booklet (they will not be answering any test questions at this time). Arrangements for the use of toilets, evacuation procedures and how to ask for assistance during the tests will also be explained.

2.4 It is envisaged that the induction/familiarisation session will be over at around 4.30 pm after which invigilators will exit the children via the 'Pupil Entrance'. This is the entrance the children will use on the morning of the assessments.
