

October 2018

SCIENCE TECHNICIAN (temporary)

Thank you for your application for the post of Science Technician at Strathearn, which was recently advertised. The information given below is our proposed schedule for the appointment. This post is on a temporary basis from date of appointment until 30 June 2019.

Applications: The closing date is 12 noon on Wednesday 24 October 2018.

Essential Criteria:

- 5 GCSE/GCE 'O' Levels at grades A, B or C or equivalent including English Language, mathematics and a science
- Self reliance and ability to work to deadlines
- Maturity and enthusiasm
- Good understanding of the role of Science Technician
- Ability to show initiative and accept responsibility
- Caring and sensitive attitude towards the needs of children
- Good communication skills.

Desirable:

- Recent experience in a Technician's role
- Good ICT skills
- First Aid qualification
- Recent practical experience in First Aid

Any of the above criteria may be enhanced to produce a manageable shortlist.

Interviews: Shortlisted candidates will be informed as soon as possible after the closing date for applications.

Commencement of service: The post is tenable with immediate effect.

Hours of Work: 36 hours per week.
This position is available on a term-time only basis.

Salary: The pro rata salary is £14,644-£15,607 (points 10-15 on NJC Scale) per annum and is paid in 12 equal monthly payments.
The NI Local Government Officers' Superannuation Scheme applies.

Appointment will only be made upon evidence of medical fitness and a satisfactory police check. The appointment will be subject to confirmation of a successfully completed probationary period of not less than six months.

This paper is intended for guidance only; full details of the conditions of service will be made available when an offer of employment is made.

I hope you will find this information helpful. Thank you for your interest in Strathearn.
