Section 1: Statutory Context and Guidance

It is a duty placed on Boards of Governors in Northern Ireland to ensure the School has an effective Addressing Bullying Policy and that practices are aligned to the Addressing Bullying in Schools (NI) Act 2016 which commenced in schools in September 2021.

This Addressing Bullying Policy takes account of key legislation and is informed by DE Guidance and Education Authority publications and the international context (Appendix 1).

Introduction

Strathearn School believes that pupils have the right to be educated in a safe and supportive environment and that the environment should allow all pupils to feel valued and secure.

At Strathearn School we acknowledge that bullying type behaviour exists in schools and wider society, and can impact on the lives, mental health and well-being of those involved. This policy aims to help create, maintain and embed a culture where everyone agrees that bullying type behaviour is unacceptable.

As a School, we believe that safeguarding our pupils is paramount and the responsibility of all stakeholders. We promote a safe, inclusive, and relational School environment where concerns of bullying type behaviour may be shared and addressed, and where pupils are supported within the context of Article 19 Measures to Prevent Bullying, Education (NI) 2003 and the 2016 Addressing Bullying in Schools Act (NI) (see Appendix 1).

The purpose of this policy is to:

- define bullying type behaviour;
- summarise rights, roles and responsibilities;
- explain the preventative measures;
- clarify processes used for reporting, recording, and responding; and
- outline the monitoring and review processes.

The policy is applied where concerns of alleged bullying type behaviour between pupils have been reported. For other concerns regarding bullying type behaviours, please refer to the School's complaints policy or associated policies which are aligned with DE Circular 2016/08 (Public services ombudsman (NI) Act).

Ethos and Values

The School is committed to providing a positive, purposeful, orderly and safe environment for all its pupils; a place which allows each pupil to flourish and grow in confidence, fostering independence, resilience, self-worth and compassion for others; and where they can learn and develop relationships free from bullying type behaviour. The School aims to establish an inclusive community where all pupils and staff are treated with dignity and respect, regardless of individual

differences including culture, race, religion, beliefs, sexual or gender orientation, appearance and personal capability.

We are committed to a preventative, relational and restorative ethos.

Links to other policies

This policy should be read in conjunction with SEND, Safeguarding, Inclusion, and the wider suite of Pastoral Care policies available on the School's website or from Reception by request. These policies include, but are not limited, to:

Consultation

We value, respect and consider the views and contributions of children, young people and the wider School community. Therefore, as part of this policy development and review, and in compliance with Article 19 of the 2003 Education (NI) Order and the 2016 Addressing Bullying in Schools Act (NI), we have consulted with pupils, parents/carers and staff through the following:

Pupil consultation

School survey (December 2024), focus group, sharing of EA ABSIT pupil leaflet, School Council discussions.

Parent/Carer consultation

School survey (December 2024), focus group, sharing of EA ABSIT parent leaflet, sharing of draft policy.

Section 2: What is Bullying Type Behaviour?

The Addressing Bullying in Schools Act (NI) 2016 provides schools with a legal definition of bullying:

1. “Bullying” includes (but is not limited to) the repeated use of-
 - (a) any verbal, written or electronic communication,
 - (b) any other act, or
 - (c) any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.
2. For the purposes of subsection (1), “act” includes omission.

The Act requires that the legal definition **must** be used by all schools to assess reported concerns of bullying type behaviour.

Assessing a Bullying Type Behaviour Concern

While the legal definition, as set out in the Act, is the primary definition, Strathearn School also use EA’s acronym **TRIP**. This helps to build a shared understanding across our School community of the difference between socially unacceptable and bullying type behaviour.

Socially unacceptable behaviour becomes bullying type behaviour when, after clarifying facts and perceptions, **TRIP** is confirmed. **TRIP** is referred to as:

T	When the behaviour is TARGETED at a specific pupil or group of pupils.
R	When the behaviour is REPEATED over time.
I	When the behaviour is deliberately INTENDED to cause harm.
P	When the behaviour causes PSYCHOLOGICAL/EMOTIONAL and/or PHYSICAL harm.

Consideration of an imbalance of power

While an ‘imbalance of power’ has not been included in the legal definition, the Board of Governors have considered DE’s Addressing Bullying in Schools Statutory Guidance (2021) and agreed to incorporate the criterion to help determine if bullying type behaviour was **targeted**. An ‘imbalance of power’ is present when **someone seen with lesser power** is identified as an object of negative attention. It will be used to validate and confirm the final **TRIP** decision.

One-Off incidents:

Although bullying-related incidents usually involve **repetition**, a **one-off incident** may be classified as bullying type behaviour through consideration of the following criteria:

- severity and significance of the incident;
- evidence of pre-meditation;
- impact of the incident on individuals (physical and emotional);
- psychological/physical impact of the incident on the individuals and/or wider School community;
- previous relationship(s) between those involved;
- any previous incident(s) involving the individuals.

A **one-off electronic communication** can constitute bullying type behaviour through repeated viewing and unwanted sharing of a post.

The 2016 Act requires the School to consider whether a pupil(s) **intended** to cause harm when determining if the incident(s) meets the legal definition. In Strathearn School, we will consider the following when assessing **TRIP**.

The pupil(s):

- capacity to regulate and understand the impact of their behaviour;
- developmental age;
- additional, educational, special, physical or medical needs;
- behaviours displayed/presenting profile (diagnosed or undiagnosed e.g. Social Behaviour Emotional Wellbeing, Autism, Attention Deficit Hyperactivity Disorder, Moderate Learning Difficulties etc.); and
- individual circumstances e.g. trauma profile, safeguarding concerns, family circumstances and resilience.

Omission will be considered when addressing bullying type concerns. This is where a pupil(s) is or are wilfully excluded from a game, activity or group work etc. causing potential **psychological harm**. Pupils are taught that they do not have to be friends with everyone. However, in keeping with the ethos of the School, they should be friendly and considerate to others.

Language

We recognise that all behaviour is communication and should be addressed through a learner centred lens for those who display *and* experience socially unacceptable or bullying type behaviour. We will address all behaviour in a relational, solution focused manner aligned to safeguarding and SEND.

When discussing allegations of bullying type behaviour, we use language that is aligned to the Addressing Bullying in Schools Act (NI) 2016, and other relevant legislation and guidance (see Appendix 1). We refer to the behaviour not the pupil and use the following:

- **pupil displaying bullying type behaviour** rather than the ‘bully’;
- **pupil experiencing bullying type behaviour** rather than the ‘victim’; or
- **socially unacceptable behaviour** rather than ‘bad behaviour’ or ‘serious/gross misconduct etc’.

Any incident(s) which do not meet the legal definition and TRIP criteria will be addressed under the Positive Behaviour, Special Educational Needs and Inclusion, Safeguarding and Child Protection and Pastoral policies. Reference should be made to EA’s ABSIT parent and pupil guides (Appendix 4).

Journey To and From School

The Act outlines a statutory requirement for schools to implement measures to prevent and address bullying type behaviour for pupils whilst travelling **to and from School**. To this end, in Strathearn we:

- Address safeguarding concerns reported in relation to travel to and from School;
- Provide timely support and intervention;
- Agree a scaffolded support plan to address individual needs, regulation and vulnerabilities;
- Reinforce positive and upstanding behaviour expectations through the preventative curriculum;
- Engage with pupil voice about experiences on the journey to and from School;
- Ensure effective communication with transport providers (e.g. Translink, EA Transport, etc.) for early identification and response to reported concerns; and
- Provide reporting mechanisms for School and the local community to report concerns. confidentially e.g. safeguarding email address, ‘whisper button’.

Electronic Communication

The Addressing Bullying in Schools Act enables the School to take steps to help prevent and address online bullying type behaviour involving registered pupils during term time. We acknowledge that negative online behaviour occurring during or beyond School hours can harm a pupil’s education and emotional well-being, and we will support affected individuals. At Strathearn School we are committed to supporting our pupils to use the internet safely, responsibly and respectfully.

The Addressing Bullying policy is one of several School policies that address electronic behaviour and are reviewed in response to technological developments. As such, follow up is aligned to the wider policy suite (see page 4).

In Strathearn School we aim to prevent electronic bullying type behaviour by:

- addressing key themes of electronic online behaviour and risk through curriculum content;
- engaging with statutory and voluntary sector agencies and resources (e.g. Safeguarding Board NI, PSNI, Public Health Agency, Safer Schools App) to support the promotion of key messages and online safe digital use;
- participating in Safer Electronic/Online/Cyber Campaigns to promote key messages;
- addressing reported safeguarding concerns in relation to the misuse of electronic communication and provide timely support and intervention;
- providing reporting mechanisms for School and wider community to report concerns confidentially e.g. safeguarding email address, 'whisper button';
- creating, agreeing and implementing an Acceptable Use Agreements see DE Circular 2016/27; and
- ensuring all staff regularly have online safety training.

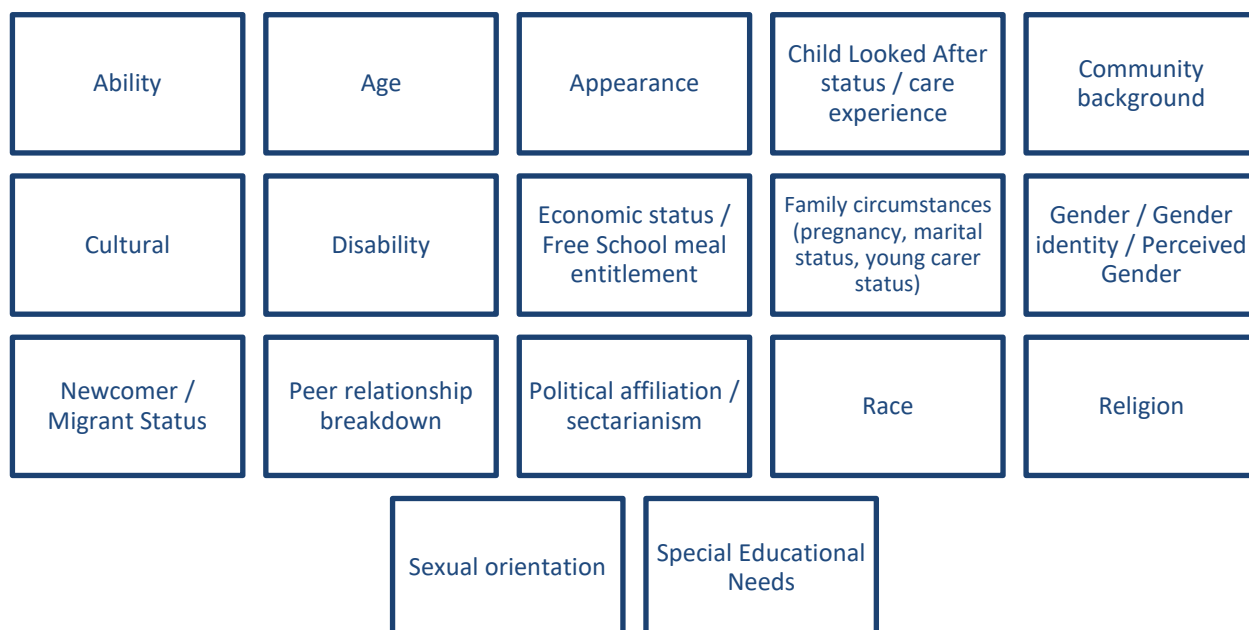

Section 3: Methods and Motivations of Socially Unacceptable or Bullying Type Behaviour

The following are methods of socially unacceptable behaviours which, when **targeted, repeated, intentional** and causing **psychological/physical** harm, may be considered as bullying type behaviour:

Physical Acts	Negative physical contact including kicking, punching, pushing, hitting, hair pulling, tripping, throwing objects at someone, spitting, poking, flicking. Material harm such as damaging, hiding or taking possessions without permission.
Verbal or Written acts	Unpleasant comments that are written or verbal including name calling, insults, unkind jokes, taunting, teasing, using negative gestures towards others, issuing threats including pressuring another pupil, or group of pupils into doing so, starting or spreading hurtful and/or untruthful rumours about others.
Social/Relational	Negatively influencing the actions of others to cause psychological or physical harm. This may include being unfriendly, isolating others, for example, by agreeing not to speak to someone.
Omission (Exclusion)	Excluding someone/others from e.g. game, activity, group work etc.
Electronic Acts	Misuse of online platforms or other electronic communications, including the use of mobile phones, to cause psychological upset. This may include sending unwelcome messages, sharing images or videos to threaten, embarrass or insult others, making abusive or silent calls.

(Please note the list is not exhaustive)

Strathearn School acknowledges various motivations for bullying type behaviour which are addressed through the Preventative Curriculum and responsive approaches. This includes all identity or prejudice motivated bullying type behaviour related to those characteristics protected through Section 75 of the Northern Ireland Act 1998. Motivations include but are not limited to:

Section 4: Rights, Roles and Responsibilities

Strathearn School acknowledge that all members of our community have a role to play and a responsibility to prevent and address bullying type behaviour.

The following members of the School community have been assigned specific responsibility within their role for oversight of the implementation of the Addressing Bullying Policy and associated practices aligned to safeguarding and SEND legislation.

Board of Governors

The Act places responsibility on the Board of Governors, in consultation with the Principal, to monitor the effectiveness of the Addressing Bullying Policy. To this end, the Board of Governors will:

- promptly report any concerning behaviours to a member of staff.

Section 5: Preventative Measures

The Addressing Bullying in Schools Act (NI) 2016, requires schools to focus on preventative measures to help reduce bullying type behaviours. The focus of this section is to set out the approaches taken by the School to help prevent bullying type behaviour effectively.

Strathearn School scaffold and promote a positive, relational learning environment where all members of the School community feel safe, included and valued. Our preventative measures help avoid bullying type behaviour and contribute to support plans for pupils. They are evident in all domains of School life and include, but are not limited to:

Professional Development of Staff

Strathearn School recognises the need for effective, updated, and ongoing training for all staff within our preventative measures. As such, we are committed to:

- ensuring that all staff and Governors complete relevant Safeguarding, Child Protection, SEND and Addressing Bullying in Schools training, including those provided by the Education Authority;
- reviewing and amending the content of the Addressing Bullying Policy following training, complex case review or as directed by Department of Education; and
- keeping and regularly updating continued professional development records.

To this end:

- all teaching and non-teaching staff have completed the EA Addressing Bullying in Schools Level 1 training as part of this policy review;
- key members of the Senior Leadership Team have completed EA Addressing Bullying in Schools leadership Level 3 training; and
- all Governors including the lead Governor, with overall responsibility for the development and review of the Addressing Bullying Policy, have completed EA Addressing Bullying in Schools training.

Section 6: Statutory Systems and Processes for Reporting, Responding and Recording.

Strathearn School recognises that reporting a concern of bullying type behaviour can be difficult. For this reason, we have systems in place to enable pupils, parents, and any other person to share concerns discreetly and efficiently with a trusted adult. All concerns of bullying type behaviour will be responded to in line with legislative processes as outlined in this policy.

Reporting a concern

Pupils

Any pupil can report a bullying type concern. This does not have to be the pupil who is experiencing the bullying type behaviour but may be another pupil who wants to help that person. Pupils are encouraged to raise concerns with any member of staff, including teaching and non-teaching staff. They can raise their concerns:

- verbally – by speaking to a member of staff;
- by writing a note to a member of staff;
- by sending an email to a member of staff; or
- using the reporting tool on a School iPad.

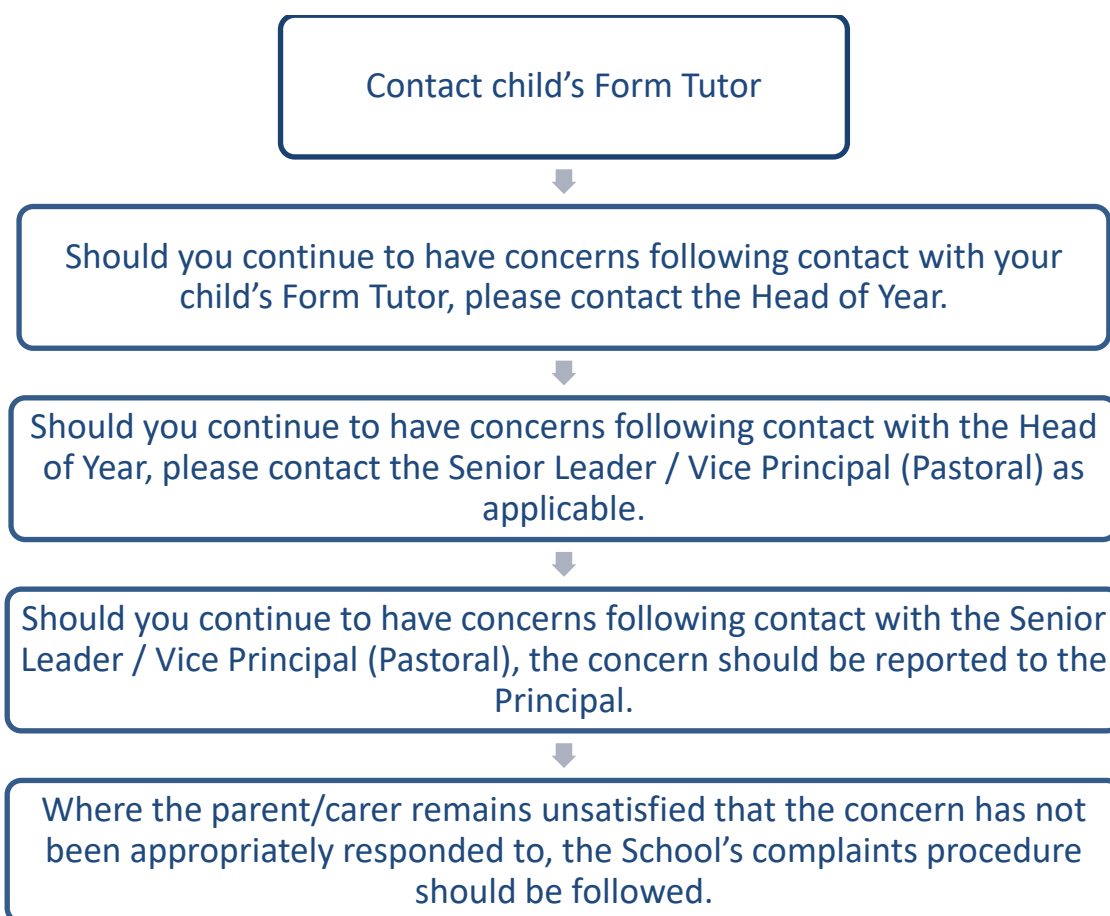

All pupils are encouraged to share concerns regarding socially unacceptable or bullying type behaviour that they experience, display or witness. They should not view this as ‘telling’ but rather ‘talking about concerns’ with the emphasis on ‘getting help’.

Parents/Carers or others

Parents and carers should raise concerns about bullying type behaviour with the School at the earliest opportunity. In the first instance, parents/carers or others can report their concerns to their child’s Form Tutor in one of the following ways:

- by contacting Reception (02890 471595) and requesting to speak to the Form Tutor;
- by writing a note to the Form Tutor; or
- by sending an email to the Form Tutor using the School’s email address info@strathearn.belfast.ni.sch.uk and noting FAO [name of Form Tutor] in subject field.

The process for parent/carers to report bullying concerns is outlined below:

Please note, we do not advise parents to send confidential information regarding concerns of bullying type behaviour to the general School email address.

Staff, volunteers or extra-curricular providers (e.g. coaches, peripatetic tutors)

It is the responsibility of all staff (including teachers, teaching assistants, wider support staff, office staff, supervisors etc.) to report any bullying type of behaviour concerns. Staff should report any concerns directly to the pupil's Form Tutor.

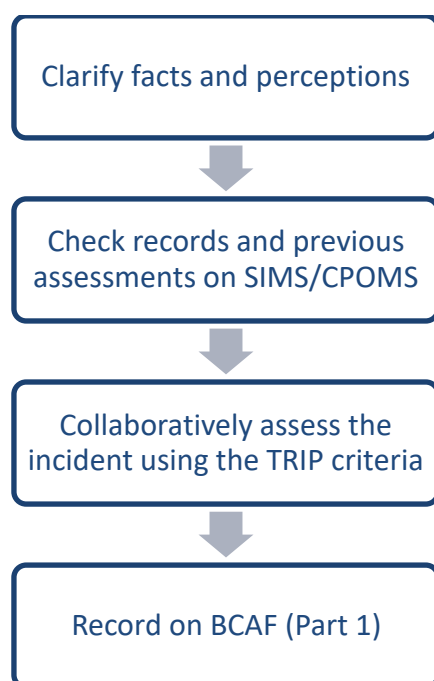

Volunteers and extra-curricular providers should report any bullying related concern to the member of staff supervising the volunteer.

Responding to and Recording a Bullying type concern

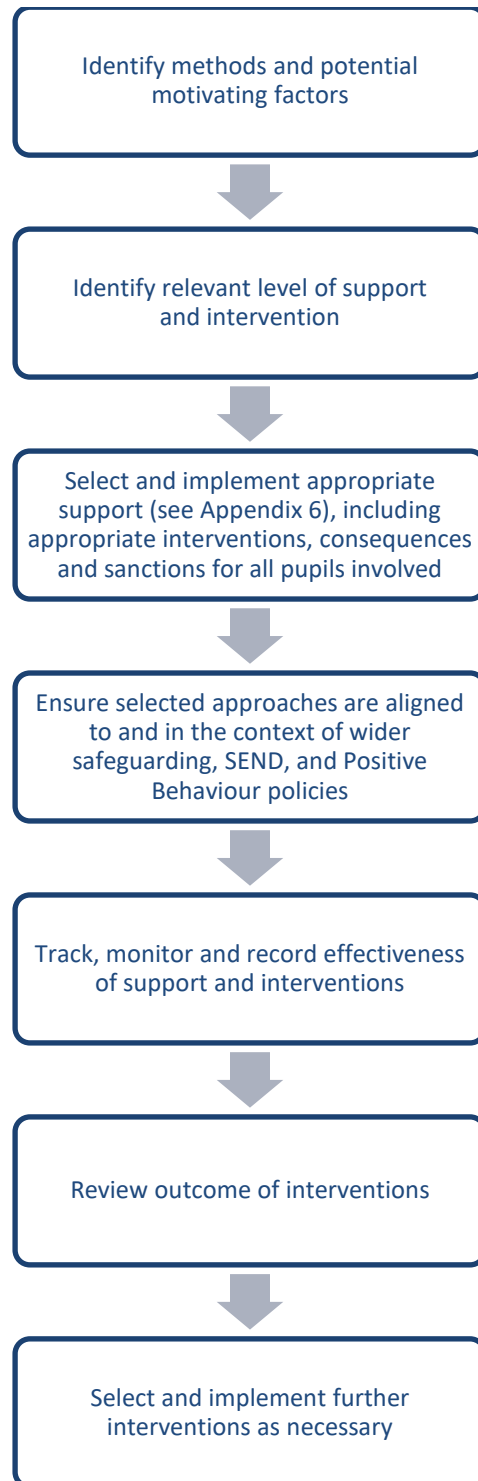

All allegations of bullying type behaviour will be responded to using the Statutory Process Flowchart (Appendix 2). They will be recorded using the Bullying Concern Assessment Form (BCAF) (Appendix 3) and stored on the School's data management system (SIMS or CPOMS).

Records will be maintained in line with the School's Data Protection policy in a private folder within central records, password protected and accessible only to designated personnel e.g. Head of Year, SLT, Designated/Deputy Designated Teachers. Records will be disposed of in line with the School's Disposal of Records policy.

Upon receipt of a concern of bullying type behaviour, the member of staff responding to the concern will:

Where bullying type behaviour has been confirmed and, in consultation with the pupils involved and their parents/carers, the member of staff responding to the concern (Head of Year, Designated or Deputy Designated Teacher) will ensure that the Parts 2-4 of the BCAF are completed. In doing so, they will:

Interventions and Sanctions

When responding to a concern of bullying type behaviour, staff shall implement interventions aimed at responding to the behaviour, resolving the concern and restoring the wellbeing of those involved. Where appropriate, sanctions may be given to those displaying bullying type behaviour, following those outlined in the Positive Behaviour policy. Such interventions and/or sanctions, are designed to support those experiencing and/or displaying socially unacceptable or bullying type behaviours. These interventions should be taken forward while listening to, supporting and strengthening relationships with and between the pupils involved. Interventions may be individual or group based. The level of support and intervention will be based on EA's Effective Responses to Bullying Behaviour (updated January 2022) (see Appendix 6) and any intervention chosen will best meet the needs of the pupil/s involved.

Please note details of support and intervention plans cannot be disclosed to anyone other than that pupil and their parents/carers.

Appendix 7 provides contact details for pupils and parents/carers who require further information or external support in relation to bullying type behaviours.

Section 7: Monitoring and Review of policy

The Act places responsibility on the Board of Governors, in consultation with the Principal, to monitor the effectiveness of the policy.

The policy will be reviewed in consultation with all School community stakeholders:

- at intervals of no less than four years;
- following any complex incident which highlights the need for such a review;
- in response to a recommendation by the Education and Training Inspectorate (ETI); or
- following new guidance as directed by the Department of Education.

To monitor the effectiveness of the policy, the Board of Governors shall:

- be updated on the number of incidents including methods, motivating factors and how they were addressed; and
- be updated on trends and patterns, and the effectiveness of strategies, to inform future policy and practice development and review.

A copy of this policy is available on the School's website www.strathearn.org.uk. Parents/carers can also request a hard copy by contacting Reception on 02890 471595 or info@strathearn.belfast.ni.sch.uk.

Parents and carers can access the school's **Complaints Policy** on the school website or on request from the school office.

Be aware that only the Northern Ireland legal definition applies to our schools. Further information and advice.

Preventative Measures

Schools aim to create and maintain a safe, nurturing, learning environment. Measures are put in place to protect and support those children and young people experiencing or displaying bullying type behaviour to tackle the problem effectively.

All members of the school community have a responsibility to prevent and address bullying type behaviour, whether in person and/or online, as outlined in the school Addressing Bullying Type Behaviour Policy.

School staff work with pupils, parents and carers to agree a relational, solution focused plan to support those experiencing the behaviour and a separate plan for those displaying the behaviour. The legislation enables schools to address online bullying type behaviours occurring outside school, and/or on the journey to and from school where there is impact on the child's learning.

What should I do if my child is experiencing bullying type behaviour?

- Stay calm, listen and reassure your child.
- Report concerns to school staff directly.
- Agree a support plan with staff and your child.
- Review and amend the plan with your child and school staff in response to outcome at agreed intervals.

What is bullying type behaviour?

The Addressing Bullying in Schools Act 2016 (NI)

Bullying type behaviour exists in all communities including schools. To respond to this, a new law commenced on 1st September 2021 in Northern Ireland. It provides schools with **one** legal definition to assess all reported alleged incidents of bullying type behaviour in schools.

Definition

- 1 In the Act "bullying" includes (but is not limited to) the repeated use of...
 - any verbal, written or electronic communication,
 - any other act, or
 - any combination of those, by a pupil or a group of pupils against another pupil or group of pupils, with the intention of causing physical or emotional harm to that pupil or group of pupils.

- 2 For the purposes of subsection (1), "act" includes omission.

It is a statutory duty for schools to relationally support all pupils to address bullying type behaviour in a solution orientated manner.

We refer to the **pupil experiencing bullying type behaviour** rather than 'victim'.

We refer to the **pupil displaying bullying type behaviour** instead of 'bully' or 'perpetrator'.

We refer to behaviours as **socially unacceptable behaviour or bullying type behaviour**.

When is it bullying type behaviour?

When a concern of bullying type behaviour is shared, staff will clarify facts, perceptions and the individual needs of all those involved.

Staff will assess the reported incident using the TRIP criteria and select interventions aimed at repairing relationships.

Socially unacceptable behaviour becomes bullying type behaviour when, on the basis of the information gathered, **TRIP** is confirmed:

1 When the behaviour is **TARGETED** at a specific pupil or group of pupils.

2 When the behaviour is **REPEATED** over a period of time.

3 When the behaviour is deliberately **INTENDED** to cause harm.

4 When the behaviour causes **PSYCHOLOGICAL, EMOTIONAL and/or PHYSICAL** harm.

A significant **One-off Incident** can be considered bullying type behaviour if included in the school policy e.g. where a digital communication has been repeatedly and intentionally shared to cause harm.

Imbalance of Power, Motivation and Methods

Imbalance of Power

When TRIP is fully evidenced, schools can consider the non statutory, **imbalance of power**, as a criteria to confirm their decision.

Motivation

Bullying type behaviour in school usually involves a breakdown in peer relationships. Motivation can be related to vulnerable, or minority groups based on e.g. *race, religion, gender identity, sexual orientation, (dis)ability, age, appearance, child looked after (CLA), community background, cultural, family circumstances*

Method

and political affiliation.

Bullying type behaviour can present as relational, verbal or physical and can take place online or offline.

Signs that my child could be experiencing bullying type behaviour

Your child may behave differently or show some of the following signs if experiencing bullying type behaviour.

What will happen when I report my concern?

Pupils can report concerns confidentially. Staff will support concerns relationally in line with statutory guidance.

Concerns are reported to school staff.

Staff gather information and record the concern digitally e.g. they may use a Bullying Concern Assessment Form (BCAF).

The legal definition and TRIP criteria used to assess behaviour. Parents/Carers consulted.

Legal definition of bullying type behaviour NOT met.

Socially unacceptable behaviour identified is supported using Positive Behaviour, Safeguarding and Pastoral Policies.

Legal definition of bullying type behaviour IS met.

Bullying type behaviour identified and supported using the school Addressing Bullying Policy.

Solution orientated supports for all pupils involved agreed, implemented, tracked and reviewed to determine if the situation has improved or if further support is required that may involve other agencies.

If a friend shares that they are being bullied?

Thank your friend for trusting you and listen without interruption.

Mirroring. Focus solely on what you are being told and show you are listening without giving your opinion.

Use Body Language. e.g. nod, make eye contact to show you are listening.

Ask questions and don't rush the conversation as it is important that your friend feels heard and supported.

Approach a staff member if you are concerned about your friend's safety and wellbeing. Encourage them to speak to an appropriate adult.

Be aware that only the Northern Ireland legal definition applies to our schools. Further information and advice.

Addressing Bullying Type Behaviour in Schools

POST-PRIMARY

A pupil friendly guide to preventing and responding to bullying type behaviours

What is bullying type behaviour?

The Addressing Bullying in Schools Act 2016 (NI)

Bullying type behaviour exists in all communities including schools. To respond to this, a new law commenced on 1st September 2021 in Northern Ireland. It provides schools with one legal definition to assess all reported alleged incidents of bullying type behaviour in schools.

The law states that in all schools:

“Bullying” includes, but isn’t limited to, repeated verbal, written or electronic communication, by a pupil(s) against another pupil(s) that is intended to cause physical or emotional harm. This also includes leaving someone out on purpose.

To support a relational and solution focused approach, we no longer use the words ‘bully’ or ‘victim’.

Instead we talk about:

‘pupil displaying bullying type behaviour’

AND

‘pupil experiencing bullying type behaviour’.

Behaviour that does not meet TRIP is referred to as **socially unacceptable behaviour**.

Whether **socially unacceptable OR bullying type behaviour**, school will support all young people involved to address the behaviour effectively.

When is it bullying type behaviour?

When a concern of bullying type behaviour is shared, staff will clarify facts, perceptions and the individual needs of all pupils involved.

Staff will assess the reported incident using TRIP criteria and identify appropriate interventions aimed at repairing relationships.

Socially unacceptable behaviour becomes bullying type behaviour when, on the basis of the information gathered, TRIP criteria are confirmed:

1 When the behaviour is **TARGETED** at a specific pupil or group of pupils.

2 When the behaviour is **REPEATED** over a period of time.

3 When the behaviour is deliberately **INTENDED** to cause harm.

4 When the behaviour causes **PSYCHOLOGICAL, EMOTIONAL or PHYSICAL** harm.

A significant **One-off Incident** can be considered bullying type behaviour if included in the school policy e.g. where a digital communication has been intentionally shared widely to cause harm.

Why does bullying type behaviour happen?

Bullying type behaviour in school usually involves a breakdown in peer relationships. Motivation can be related to vulnerable, or minority groups based on e.g. *race, religion, gender identity, sexual orientation, (dis)ability, age, appearance, child looked after (CLA), community background, cultural, family circumstances and political affiliation*.

What to do if you need help?

Speak to an Adult You Trust

Speak to a family member, Form Tutor, Head of Year, Head of Pastoral Care or other safe adult who will listen and agree a support plan.

Keep a Record

Keep a record of what's been going on. Report inappropriate online communication to the social media company and block the user. Don't reply.

Identify opportunities to meet new friends.

Try morning, lunch or after school activities. You may want to contact a free, confidential helpline e.g. Childline 0800 11 11

Stay Positive

You have done the right thing in coming forward. Focus on the positives in your life. Celebrate your unique qualities. Find healthy ways to relieve stress such as exercise, meditation, positive self-talk, join a sports club and do things you enjoy.

Other things to do in school:

Speak to your student council about setting up a peer support scheme; or a student diversity, equity and inclusion committee.

How might bullying type behaviour present?

Bullying type behaviour can present as relational, verbal, or physical and can take place online and offline.

Imbalance of Power

When assessing a concern, schools can consider if some pupils involved appear more powerful than others.
